

First Dental Visit by First Tooth or First Birthday

Did You Know?

Infants should have their teeth checked by their first birthday. The first visit may be done by a dentist or a medical provider.

It is important to get regular checkups.

I will:

- Put a reminder note on my calendar to schedule my baby's first dental visit. (Set the reminder note about 1 month in advance!)
- Schedule my baby's first visit with a dentist or medical provider.
