

Reflecting and Planning:

What I Learned and How I Will Use Cavity Free Kids

Use your post it notes and/or look back at the Home Visiting Resource or Quick Reference.

List **ONE** of the basics of oral health, visit guide, parent/child activity, parent practice handout or family engagement tools that:

1. Will meet the needs of the parents I visit.

2. Fits the needs of the children I visit.

3. Fits **MY** home visit style well.

4. I could use on my next home visit.

5. List **TWO** topics or goals you address with your families where you could incorporate Cavity Free Kids.
